

State Standards Alignment

California

(Common Core Standards for Mathematics adopted August 2010, modified January 2013)

Teach to One Roadmaps provides students with a “Grade-Level Ladder” which addresses skills within the student’s grade level as well as skills in earlier grade levels that support the work of the grade.

The following key describes the level to which each of the standards are addressed within a Grade-Level Ladder.

KEY

Aligned:

Teach to One Roadmaps content fully addresses this standard

Partially Aligned:

Teach to One Roadmaps content addresses part of this standard, but some elements of the standard may not be explicitly addressed

Not Aligned:

Teach to One Roadmaps content does not address this standard
